

During our preparation for this AMAZING workshop we have come across a few technological issues which could occur during the LIVE workshop. The workshop will be recorded to the Cloud via ZOOM as well as recorded onto our computer as a safety precaution. The recordings will be available through The New Studio's website at www.thenewstudiova.net. The cost will be \$10.00 for the entire 3 day workshop. This will only be available to students who have registered and paid for the workshop through GWS. These recordings will be available for one month starting August 27.
